

Membership Policy

In order to be a member of the Black Student Association during the 2013-2014 school year and receive full membership benefits, one will have to volunteer at **six** different events throughout the academic year. These six events must include one social event, one fundraising event, and one community service event. A **recorded** attendance of 75% of general body meetings throughout the academic year fulfills an elective event.

Note: For social events, volunteering includes helping to set up before **or** cleaning up after the event. Attendance to the social event does not count.

Note: For community service, events that are organized by or collaborated with the Community Service Coordinator and events that are advertised through our organization will fulfill the requirement.
